

# DARRICK WOOD SCHOOL UNIFORM POLICY

**Reviewed:** June 2022

**Agreed:** June 2022

**Person Responsible:** Head Teacher

## 1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

## 2. Our school's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons
- Allow pupils to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to contact the relevant year group Achievement Coordinator, who will then liaise with the Senior Leadership Team about the issue.

## 3. Limiting the cost of school uniform

In March 2022, we surveyed parents/carers regarding the Darrick Wood School uniform. The overall message from the survey was that parents/carers would appreciate anything the School could do to lower the cost of our uniform whilst not reducing durability and comfort. They would also wish it to be more available in shops other than our preferred suppliers and also online.

Darrick Wood School benefits from a well supported PSFA which holds regular second hand uniform sales. This means that low cost school uniform can be purchased. It also has two local suppliers of new uniform, the competition between the two helping to keep costs in check. With the main colours being brown and yellow, items of uniform that do not have logos on can be difficult to find other than from our suppliers. In the parent survey most parents did not, however, indicate support for changing the colour of the uniform, perhaps because the School is very well known locally by the colour of its uniform.

All schools have a duty to make sure that the uniform required is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform. We understand that

items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price. We therefore ensure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible. For example, pupils may choose whether to wear a branded blazer, cardigan or jumper
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties
- Considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes.
- Keeping the number of optional branded items to a minimum, so that the School's uniform can act as a social leveler
- Avoiding different uniform requirements for different years (other than different tie in Year 11)
- Avoiding different uniform requirements for extra-curricular activities
- Considering alternative methods for signaling differences in groups for interschool competitions, such as creating posters, labels or wearing a sash (e.g. at Sports Day)
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

#### **4. Expectations for school uniform**

##### **4.1 Our school's uniform**

Our school uniform is similar for all pupils in Years 7-10. In Year 11, a different distinctive tie may be worn. In the 6th Form, students are expected to wear suits.

Uniform gives a corporate unity to the School and we therefore insist upon the wearing of it. The official suppliers are 'Graduates Limited' at 201 High Street, Orpington and 'OZ' of 6 Chatsworth Parade, Petts Wood.

We attach great importance to the conduct and appearance of the children as they come to and from school. Smart uniform and good behaviour indicate a pride in the establishment to which the pupils belong.

The School Rules specify that School uniform must be worn to and from school.

Branded items such as shirts, blouses, blazers, ties, trousers and skirts must be purchased from the School's uniform suppliers who will advise which items are Darrick Wood uniform. Second hand uniform may also be worn, available from the PSFA who hold regular sales at the School.
