

# DARRICK WOOD SCHOOL

RESPECT | RESPONSIBILITY | HONESTY

Dear Parent/Carer

I write to inform you that whilst the School remains closed to most of our students we continue to be open for those students whose parents are key workers if they have no other arrangements. As per previous emails, we would appreciate being told by 5pm daily if you are expecting your child to attend the next school day. Notify [keyworker@darrickwood.bromley.sch.uk](mailto:keyworker@darrickwood.bromley.sch.uk).

Unfortunately, we are no longer able to provide food on site. For the small number of students attending daily I must now ask that parents provide them with a packed lunch. This will be required from Friday, 27th March 2020. This includes children who are entitled to Free School Meals, all of whom should now be able to make use of the supermarket voucher system we have put in place. I am so sorry we are no longer able to provide any catering on site. This was out of our control.

Finally, in the current circumstances, if you wish to contact the School, please use the [office@darrickwood.bromley.sch.uk](mailto:office@darrickwood.bromley.sch.uk) email address and not the School switchboard.

Yours sincerely

Dr M J Airey

Head Teacher
