

DARRICK WOOD SCHOOL

RESPECT | RESPONSIBILITY | HONESTY

Dear Parent/Carer

Further to my email to you on Thursday, 21st May, you may be aware that the latest government guidance is now to delay the wider opening of secondary schools until 15th June whereas the date remains 1st June for primary schools. Our plans will be to continue to plan for some face to face time with our Year 10 and Year 12 students, but we will now work towards putting this in place from 15th June. I know this delay may be disappointing, but I am sure you will appreciate that we need to follow the latest national guidance in this ever changing situation.

I will write again with further information as we put together our plans or if the situation changes in any way. In the meantime we will continue to develop further our provision for remote learning and staff will resume setting work online again at the end of the half term break on Monday. Our provision for priority groups (e.g. children of critical workers) also resumes on Monday. Any parents/carers wishing their child to attend this provision should email keyworker@darrickwood.bromley.sch.uk with the days their child will be attending next week.

Thank you as ever for your support. I wish you a safe and enjoyable weekend.

Yours sincerely

Dr M J Airey

Head Teacher
