

# DARRICK WOOD SCHOOL

---

RESPECT | RESPONSIBILITY | HONESTY

Monday, 12th December 2022

Dear Parent/Carer

Whilst we know the temperature will drop tonight and the wintry conditions are set to remain all week, with no more snow forecast, I am planning that school will be open on Tuesday to all year groups as usual. If it is necessary to change that decision, we will endeavour to update you by 7.30am on Tuesday. If you do not receive another update, please assume the School is open.

Pupils may wear footwear appropriate for walking in the cold, wintry conditions, but must change into their normal school shoes on arrival. Those without lockers will need to ensure they have a bag for any spare shoes used during their journey in.

Yours sincerely

Dr M J Airey

Head Teacher
